TRAVELS WITH A CHILD & FULL-TIME JOB

About us

Our names are Elsa & Atti, and we are 32 and 36 years old. When we are not travelling around the world, we live in Peuerbach/Upper Austria. We have been travelling the globe together for more than 15 years: 76 countries so far. **Our goal: to visit all the countries of the world!** And our motto: even with “only” 5 weeks holiday a year and a full-time job, this is possible! Our daughter Fiona was born in March 2023, and she has already travelled to 35 countries with us.

Our aim

We want to take the fear out of travelling **for people with and without children**, make their preparations easier with tips and tricks and, help them plan their travel budget better with our detailed cost breakdowns. We also want to **be a source of ideas for their next holiday destination** and make them curious about countries and places all over the world that may not have been on their bucket list. Since the birth of our daughter, it is also important to us **to show that travelling with a baby/child can be special & beautiful and doesn't always have to be stressful.**

That's why we are special

Followers describe us as **authentic, honest and not artificial**. We don't just show fancy holiday experiences, but "real travel". Our live stories on Instagram are particularly popular and are followed by an average of 45% of our followers every day.

We share all our costs & expenses, encounters with locals, problems, complications with flights, facts about sights and information about the respective country.

An "honest all-round travel experience package"
- that's what we stand for.
